Prices shown are MSRP or Manufacturer's Suggested Retail Price. MSRP excludes transportation and handling charges, destination charges, taxes, title, registration, license, tag, preparation and documentary service fees, insurance charges, and Dealer add-on products, accessories and associated labor and installation charges. Actual vehicle price and availability may vary by Dealer and should be confirmed with the Dealer selected by customer.

Optional features and their availability may differ by vehicle (bodystyle and powertrain) and country or require the installation of other features in order to be fitted. Note that some standard features may be replaced when specifying a vehicle or selecting trim levels. Please contact your local Dealer for more details or configure your vehicle online. Warranty periods offered by INEOS on certain features may be limited and differ in duration. Please refer to the INEOS Automotive Manufacturers Limited Warranty Terms and Conditions for details of variations and exceptions.

INEOS reserves the right to make updates to the product offering including specifications, options and accessories. As such, the quoted prices and specifications in the (Price List/Brochure/Website/Configurator) are indicative and may not reflect current offering and availability. Pricing and details provided do not constitute an offer for the sale of any particular vehicle at any particular price or specification.

Additional options offered for the vehicle may affect performance, emissions, exterior dimensions and off-/on-road geometry. Loading equipment on the roof may change the vehicle's handling characteristics and users should not load the vehicle, any options or accessories (or any part of them) beyond their intended capacities.

Only use in-car features when safe to do so. Driving while distracted can result in loss of vehicle control, damage to property, injury or death. Always obey local laws and speed limits. Off-road driving and use of related equipment (including options and accessories) requires advanced training and experience. Improper use of the vehicle or other equipment may be unsafe and could result in property damage and/or injury to users and/or other parties. It is the user's responsibility to check the vehicle, equipment, route and conditions ahead before proceeding. Consult the Owner's Manual, applicable accessories manual/instructions or your local Dealer for more detail.

All tests are performed in accordance with legislation in force at the time of certification. EPA estimated fuel economy shown, these figures may not reflect real world driving conditions. Your mileage may vary depending on several factors including your driving habits, vehicle condition, weather conditions, vehicle load, options and accessories fitted and trip length.

The Utility Belt option has restricted usage on-road, subject to local laws.

The Heat Reflective Privacy Glass option is subject to local laws, consult your local Dealer for more detail.

The aniline saddle leather is untreated and is subject to staining and discoloration as it absorbs moisture and oils and will fade and/or discolor when exposed to the sun. Due to the nature of the material, we are unable to include the Saddle Leather Driver's Pack within our full vehicle limited warranty and cannot accept responsibility for any staining, fading, discoloration or any other defects typical of this leather type caused by natural wear or otherwise. By selecting the Saddle Leather Driver's Pack you acknowledge acceptance of the above information. Please refer to the Limited Warranty T&Cs for more detail.

Accessory prices shown are not final, exclude taxes. The price shown is the Manufacturer's Suggested Retail Price (MSRP) and does not include the cost of installation. The purchase and installation of Accessories must be agreed directly with an INEOS dealer.

Accessories and their availability may differ by vehicle (bodystyle and powertrain) and country or require the installation of other features in order to be fitted. Please contact your local Dealer for more details or configure your vehicle online.

Additional accessories used on the vehicle may affect performance, emissions, exterior dimensions and off-/on-road geometry. Fitment of certain accessories and their use on-road may be restricted and/or illegal, subject to local laws. It is the user's responsibility to ensure full compliance with local laws. Do not load vehicle or any accessories (or any part of them) beyond their intended capacities or capability. Note: care should be taken when loading equipment on the roof, Full-length Roof Rack or Roof Cross-bars as this may change the vehicle's handling characteristics.

Off-road driving and use of related equipment (including options and accessories) requires advanced training and experience. Improper use of the vehicle or other equipment may be unsafe and could result in property damage and/or injury to users and/or other parties. It is the user's responsibility to check the vehicle, equipment, route and conditions ahead before proceeding. Consult the Owner's Manual, applicable accessories manual/instructions or your closest Dealer for more detail.
